

### **INTERVIEW SUMMARY**

Applicant wishes to thank Examiner Swiger for the courtesy of the Interview granted to Maria Comninou on October 9, 2007. During the interview, the independent claims were discussed in view of Johnson et al (U.S. Pat. No. 5,683,469). The Examiner indicated that he would favorably consider an Amendment After Final Office Action that further characterizes the "offset" attachment limitation of the independent claims as "permanently offset" or other equivalent limitation, subject to an updated search. Applicant agreed to cancel independent claim 31 for the purpose of the Amendment After Final Office Action.
